THE FLOWERING SHRUBS

The **Deutzias** and **Spireas** should be among the first thought of when planning to brighten up the grounds around the house, or in planning for the shrubbery. These need no winter or summer protection, and an assortment planted under average conditions will be a guarantee of attractive foliage and beautiful flowers from early spring until late fall.

The **Deutzias** can be had in pure white and in rosy tinted colors, and the **Spireas** in pure white, pink, rose and crimson. We often make up collections of these and can do so for you. Special low prices for fall orders.

Plant in Fall or Spring.
